Summer Camp Season is fast approaching. Did you know that the Eastern PA Conference owns and operates four unique, scenic camp and retreat centers spread across different regions of the conference: **Pocono Plateau** in the upper northeast; **Carson-Simpson Farm** just north of Philadelphia; **Innabah** centrally located in Spring City; and **Gretna Glen** in the northwest area. Visit their websites at: innabah.org, gretnaglen.org, poconoplateau.org and csfarm.org to check out their exciting programs. A limited number of brochures from Gretna Glen can be found at the Welcome Center.

EPA UMC Camp & Retreat Ministry

All four centers truly come alive during Summer Camp, with hundreds of excited children and youth learning, playing, being nurtured and making friendships and lifetime memories.

Our Camp & Retreat Ministry centers are places where people of all ages and backgrounds can experience God's love and creation together in a caring Christian community.

APRIL/MAY DONATIONS FOR CALN SCHOOL

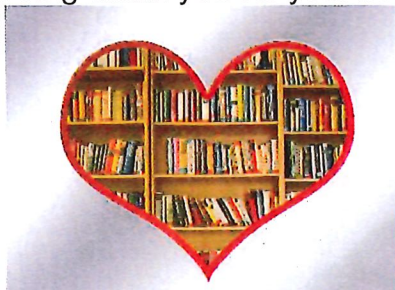

"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me." Matthew 25:40 NIV

Caln Elementary School

"Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me." Matthew 25:40 NIV

A big thank you for your book donations to keep the children at Caln reading over the summer. The teachers are very appreciative and the kids will be excited to be going home with new books. Not only are you providing reading for the summer, but you are also helping them to build their own libraries and become life-long readers.

This is our last collection for this school year. I want to thank you for your tremendous support for this ministry. You are making such a difference in the lives of these children. We have been told that we are the only group that remembers them all year long.

Our collections will resume in **August** with **backpacks and school supplies**. Watch for those sales over the summer!

Thank you for your prayers and continued support of this ministry.
Holly Orr, Caln School Coordinator

SUMMER FOOD DRIVE (Now through June 3, 2022)

Most Needed Items:

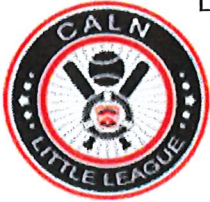

- | | |
|--------------|-------------------|
| Cereal | Macaroni & Cheese |
| Granola Bars | Peanut & Butter |

For too many kids, summer means hunger.

The end of the school year is fast approaching and for over 18,000 students in Chester County that means the uncertainty of a daily meal since school will be out of session. Help the Chester Co. Food Bank to fill the shelves for neighbors in need.

The Food Bank is reaching unprecedentedly low numbers in food donations. Donations are critical to helping the Food Bank serve their network of community agencies throughout Chester County. Let us fill our food basket and outdoor food cupboard. Let us help keep our children fed during these summer months.

Listed below are the baseball and softball schedules for the two teams we sponsored for this Little League season.
