Words cannot express how much fun our Ocean camp was this past week. This week we learned about Jonah, crawled through a whale, made whale crafts, and played outside with water activities. All this on just the first day! Over the next few days, we learned how Jesus fed the 1000's, how He calmed the storm and how we are called to be His fishermen. We made sea turtles, seahorses, and crab crafts. On Thursday, our last day we had a special snack. Again, I give thanks to our TLC staff and all the volunteers who helped. What a whale of a time we had! **Mrs. O**

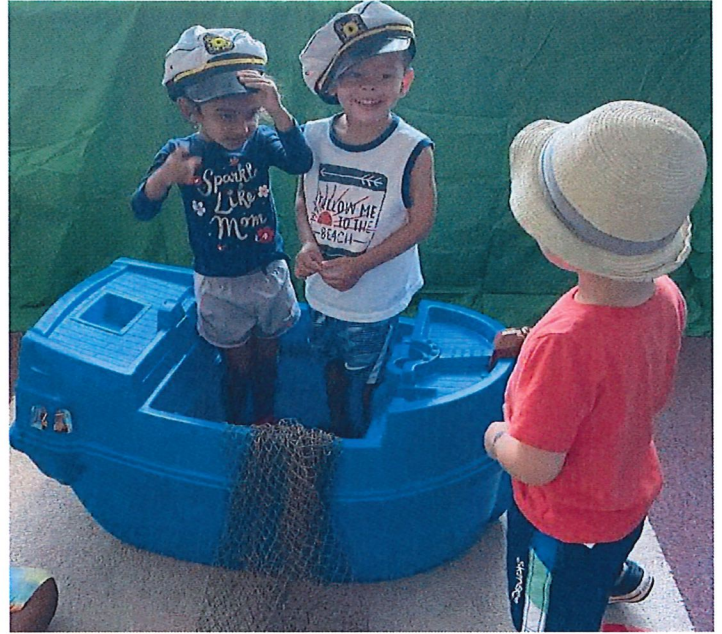

**Registration is open for our 2022-2023 school year!**
